About

At Samaro Flooring, we draw from over 70+ years of manufacturing expertise in the plastic processing industry to craft innovative, high-quality flooring solutions. In 2019, we embarked on a new journey to redefine the flooring market with our SPC and LVT products. In just three years, we've rapidly become India's largest manufacturer in this sector. Our success is powered by a relentless commitment to innovation, quality, and sustainability. Our state-of-the-art facility in Gujarat, with an annual capacity of over 15 million square meters, enables us to meet the diverse needs of both residential and commercial spaces across the country. Whether it's creating warm, inviting homes or robust, stylish commercial environments, Samaro Flooring is trusted to deliver excellence at every step.
